

K.A.R. 28-19-404 GENERAL PERMITS; MODIFICATION; REVOCATION

If a general permit is modified or revoked, the owner or operator of an emissions unit or stationary source which is authorized to operate pursuant to a general permit shall reapply for the general permit or submit a complete application for the appropriate permit within 12 months of the date of modification or revocation of the general permit unless a different time frame is specified by the department. (Authorized by K.S.A. 1993 Supp. 65-3005; implementing K.S.A. 1993 Supp. 65-3008; effective Jan. 23, 1995.)

EPA Rulemakings

Description: The EPA fully approved the operating permits program submitted by the state of Kansas for the purpose of complying with Federal requirements for an approvable state program to issue operating permits to all major stationary sources and certain other sources. The EPA also approved, under section 112(l), the state's program for accepting delegation of section 112 standards to enforce air toxics regulations.

[illegible]

Description: This revision adopted this new rule to establish procedures and conditions for the state to develop and issue general construction permits and class II general operating permits covering numerous similar sources.

[illegible]

None.
